

July 7, 2020

Attention BBFit Fam – Governor Ducey’s executive order 2020-43 along with today’s court decision to deny a temporary restraining order, has forced another closure of our studios through at least July 27,2020.

A couple of notes regarding your membership:

- 1. As of July 8, 2020, all accounts, training sessions, and membership billing have been paused until at least July 27, 2020. No action is required on your part.**
- 2. We are not able to make any changes to memberships during the time we are closed. i.e. upgrades, downgrades, freezes, cancellations, etc. (refer to #1)**

If you’d like to continue working out with us virtually, or you’d like access to the workouts that we would have been performing in the studio, please let us know by responding to this email. Virtual workouts will be delivered to your inbox Mon – Fri by 5am. These workouts don’t require equipment and will challenge you in the manner that you’ve come to expect from BBFit! We are also developing more weight-based Virtual Workouts that we will be developing and producing in coming weeks. We’re asking that those who work out with us online, or receive our workouts, keep their membership dues active. If working out online isn’t your thing, but you would still like to support BBFit financially during this time, please let us know by responding to this email. Your support is appreciated more than you know!

For those members that aren’t able to keep dues active, we get it. That doesn’t mean you get a break from your workouts. Check out the website at [www.bbfitaz.com](http://www.bbfitaz.com). On the homepage you’ll see the “At Home Work-Outs” button. We have provided 15 workouts that can be performed without equipment, free of charge, in the comfort of your living room!

Lastly, thanks to all reaching out to us. We truly appreciate your support and patronage during these challenging times. We’ll see you all in a few weeks, stay safe!
