

**Attention Members:** The Honorable Timothy J. Thomason, in Maricopa County Superior Court Case, ruled that indoor gyms and fitness clubs must be provided an opportunity to apply for reopening. Since BBFit fully complies with ADHS and CDC requirements, we have been allowed to re-open.

**As of Saturday August 29<sup>th</sup>, BBFit will resume operation. Monthly dues will resume billing normally on September 1, 2020. For those with frozen accounts, double check your documentation for your reactivation date. If you need to adjust that date, please email [john@bbfitaz.com](mailto:john@bbfitaz.com).**

BBFit Safety Protocols can be viewed at [www.bbfitaz.com](http://www.bbfitaz.com) and are posted on the entry door to the studios.

In addition to our in-studio classes, we now offer Virtual Workouts. For those members that are more comfortable working out at home, Virtual workouts are able to be delivered to your inbox Mon – Fri by 5am. These workouts don't require equipment and will challenge you in the manner that you've come to expect from BBFit! Let us know by responding to this email if you would like to receive the Virtual Workouts.

Finally, we are beyond excited to see you all back in the studio, getting stronger with each workout. We have some exciting things planned to challenge and inspire you through the end of the year. Let's face it, 2020 hasn't gone the way most of us planned, all the more reason to dig in and recommit to finishing the year strong!

Thank you all for being members and your continued support of Burn It Build It! Book your classes and then tell your friends we're open!
