

Burn It Build It Fitness Safety Protocols

- Face coverings are required
- Staff to wear appropriate face coverings while coaching
- Class sizes limited to meet CDC guidelines
- Designated workout stations provide a minimum of 6 ft of social distance.
- Members who appear to be sick or symptomatic will not be allowed to enter the facility
- Designated, separate, one-way entry and exit doors
- Hand sanitizer provided on the way in
- Lockers are closed—take your keys and items into class with you (this will help you exit the correct door)
- “If you touch it, you clean it” policy enforced during class
- Sanitizing wipes provided throughout class to ensure compliance
- Hand sanitizer provided on the way out
- Class times have been shortened to allow time to sanitize and disinfect after each class
- Healthcare Facility Disinfectant applied between classes – **EPA Reg # 10324-154-84918 Kills Coronavirus**
- Employees clean equipment throughout the day as well as during classes (our cleaning wipes and products are proven effective)
- Door handles and bathroom surfaces cleaned between classes
- Installed no touch trash cans in the studio and each bathroom
- No children allowed in the lobby or studio
- Showers are closed
- Virtual Workouts have been created for those not ready for in person classes
- New operating procedures and safety protocols posted on entry door to studio
